 - MYP Average Grade (last two years): 54/56, 24 As

Clubs and Societies: English Debate Team, Model United Nations, LIRC Events Committee, 3D Animation Club, RCHK Leeks, RCHK Focus Group

SERVICE & LEADERSHIP

The RCHK Truth - School Newspaper

Editor-in-Chief

(March 2021 - Present)

Oversaw all departments of the school newspaper, including Photography, Marketing, and Young Truth (the primary school sister publication). Directly coordinated all aspects of the publication.

3D Printing Club

President

(February 2022 - Present)

Led a club to teach secondary students about 3D printing and offer hands-on 3D printing experience. Responsibilities include planning club sessions, teaching 3D printing, teaching 3D designing, and initiating club projects like the College Fair fundraiser.

PROJECTS

3D Printing Club Fundraiser Project

Director

(March 2022 - January 2024)

Directed an annual project twice to sell 3D printing-related products at RCHK College Fair 2022 & 2023. Raised \$5,000+ HKD in revenue, and donated proceeds to two different charities. Responsibilities include managing inventory & supplies, point-of-sale stall design, and accounting.

Inter-ESF Math Race 2024

Organiser

(August 2023 - January 2024)

Organised an ESF-wide math competition, hosting 300+ students across Junior (Y7 & Y8) and Senior (Y9 & Y10) categories. Was highly involved in every aspect of organisation and oversight: advertising, recruiting volunteers, creating competition material, and designing competition rounds.
